EXPERIENCE

Total Environment/ Associate Manager- Architect / Aug 2023 - Aug 2024

- Worked on various large-scale residential projects to assist with preparing concept designs to detailed technical working drawings consisting of Architectural, Structural, and MEP drawings.
- Prepared specifications and cost estimations for projects and units.
- Regular site visits to inspect units and ensure work is carried out as per drawings.

The Purple Ink Studio/ Architectural Intern / Aug 2022 - Dec 2022

- Worked on the design of multiple institutional/ commercial/ residential projects, and produced detailed architectural drawings and research.
- Collaborated with the architecture design team to create visually appealing, conceptually sound, and creative designs. Also assisted with research and material selection for color/ finish/ material on interior design projects.
- Gained insight into client interactions, project management, and the importance of meeting deadlines while maintaining high-quality standards.

Solar Decathlon India/ Competition and Learning/ Sep 2021 - May 2022 Team lead of the 'Energy Performance' Contest

My responsibilities as Energy Performance leader included the following areas:

- Worked to achieve net zero energy building by using solar potential and other innovations.
- Energy builder software was used for envelope optimization by choosing low U-values.
- Worked on lighting, equipment & HVAC load calculations.
- Coordinated with HVAC industry partners to finalize appropriate building cooling systems.

Other Responsibilities:

- Participated in Engineering, Design, and Communication contests as a team member.
- I presented the team's work to the final jury on behalf of the entire team.

EDUCATION

Domus Academy / Sept 2024 - July 2025

RV College of Architecture / Aug 2018 - May 2023 Bachelor's program - B.Arch

Thesis Project: URJASVINI - Women and Play

A safe space designed for women to relax, sit, chill, and play after their everyday activities. Besides building a sports center, it also aims to build a community of women who can support and inspire each other.
