EXPERIENCE

Total Environment / Associate Manager- Architect / Aug 2023 - Aug 2024

- Worked on various large-scale residential projects. Assisted with concepts and detailed designs consisting of architectural, structural, and MEP drawings.
- Prepared specifications, and cost estimations for projects and units.
- Visited site regularly to inspect units and ensure work is carried out as per drawings.
- Worked with civil engineers to troubleshoot and resolve real-time construction design challenges.

The Purple Ink Studio / Architectural Intern / Aug 2022 - Dec 2022

- Worked on multiple institutional, commercial, and residential projects. Conducted thorough design research and produced detailed architectural drawings.
- Created innovative designs. Assisted with material selection on interior design projects.
- Gained insight into client interactions, project management, and the importance of meeting deadlines while maintaining high-quality standards.

Solar Decathlon India / Competition and Learning/ Sep 2021 - May 2022

Team lead of the 'Energy Performance' Contest

What was the goal of the competition? Climate change is jeopardizing our lives. Build a green building. What did I do to win the competition?

- Achieved net zero energy building by using green building software.
- Worked on lighting, equipment & HVAC load calculations with industry partners for cooling systems.
- Participated in Engineering, Design, and Communication contests as a team member.
- Presented the team's work to the final jury.

EDUCATION

Domus Academy / Sept 2024 - July 2025

Master in Interiors & Living Design

RV College of Architecture / Aug 2018 - May 2023

Bachelor of Architecture

Thesis Project: URJASVINI - Women and Play

A safe space designed for women & children to relax, sit, chill, and play after their everyday activities. Besides building a sports center, it also aims to build a community of women who can support and inspire each other.
